Hello to fellow band friends & parents!

This marching season has come to an end with great success. Mr. Wells did a fantastic job leading all of us on to the final victory. He taught us that hard work does pay off and not to give up when others don't feel our pain is good enough. I am so proud to be a part of this fine program. Thank you parents for all you did to make this booster club the support system our director and students needed for the successful season we had and look forward to next year. As president of this fine group, I have gotten to know many of your kids - and I wouldn't trade that friendship for anything! I find myself dreaming about one I don't know and wonder where he/she came from. Then I'm glad it was just a dream - I would hate to miss one I haven't met!

We still have lots of "behind the scene work" to do before we finish out this band season - hope to see you at the November 12th booster meeting.

Thank you all,  
Penny
