Greetings from Pres Penny,

Our successful 2007-08 season is winding down and now we start gearing up for another great 2008-09 season.

We had many victories along the way - starting with Mr. Wells' first anniversary of jumping ship from "The Patriots" to the "Marching Mustangs", band camp & no lost room keys, a show that had neat music, fancy footwork & entertaining color guard, not to mention a grand finale at STATE with our goals met & a totally awesome DVD hand crafted by father of our own Dave Matthews! Who could ask for anything more???

Oh, I'm sure Mr. Wells has another exciting season for us, so with that in mind We will meet again as booster support group for this fine band, February 11, 2008 at 7pm in our band room.

Thank you for all your support & goodwill,

Penny Arnold

Fairshare

The Marching Band Fair Share was due Jan. 14, 2008. Currently we have 50 students with outstanding balances. Remember this program is based on everyone paying their fair share through fundraisers or cash. We currently have more expenses than fair share received. Without your payment we will end the year in a deficit. This will mean higher fair share next year or the reduction in support for some programs. As great as this program has become I would not want to see finances detour our children's strides. As a reminder the superintendent and the booster officers have approved the use of the schools collection system. So please review your Feb. statement and pay your remaining balance. Please contact me if you need to arrange a payment plan.
