“WELCOME!

It’s “... TIME...” – *already* - to step into the 2008-2009 marching band season. What an exciting year this is going to be! Have you heard?

Not only will Mr. Wells and his staff have another award winning *timely* show ready for the fall season, but the RBBCSC School Board is one step closer to granting full approval for the Mighty Marching Mustangs to participate during 2009 Spring Break in ‘THE place’ for St. Patrick’s Day events – Dublin Ireland and the parade of all parades.

Time to roll up our sleeves - there is sooooo much to do – starting RIGHT NOW. It will take a gallant effort of ALL parents, ALL students, our schools and community to help this great program achieve the ‘Mayan mountain top’ and ‘the luck of the Irish’.

I urge you to keep this website readily available in your ‘favorites’ or on your desktop for easy access. There will be LOTS of opportunities available for you, your family (hey – ask the friend too...) to help support your favorite band student by raising awareness of Ellettsville, Indiana; Edgewood High School, and the Marching Mustangs brigade. Oh yes, and lots of money-making opportunities will be available for you too. So take a deep breath... ..here we go!

Continue watching this site for meeting announcements, open brain-storming sessions, work nights, volunteer opportunities – HOW CAN YOU HELP? WHAT CAN YOU DO TO HELP? Every contribution, whether in time, water donations, volunteering, money, making a few phone calls, etc. for this organization is appreciated by the director, staff, officers, and yes... YOUR STUDENT!

“TIME” is going to be OUR FRIEND in 2008!

–Mary Lou Emmons, President

No question is too small – send any you have to the EHS Band Booster officers at officers@macmeisters.com “

General Information

How does the EHS Band Officers, Director and staff communicate with ALLLLLLL the Boosters?

We use everything – including smoke signals! You will find that most folks feel empowered when they are informed – boy will you all be empowered! You as well as your student will receive information/documents/forms... by several methods – via email, printed document and through the website. You will receive information and reminders as the year goes on from the director(s), marching staff, booster officer(s), fundraising chairperson(s) – or all the above.

Our intention is to send you ‘important stuff’ about [literally] everything through whatever method YOU may want to consume it – if you are a web-surfer, an email nut [at home or the office...or by blackberry], or you prefer the piece of paper-in-hand – then you’ll have it. Sometimes it will seem that we come at you from all ends, but it’s simple to handle – if you get ‘message #1’ via several email addresses (... which you provided to us) simply read it, then press “delete” and get rid of the extra ones. If you want to view the Band Booster website at 2:34 am – rest assured it will have the most up- to- date information available for your consumption. While video and audio podcasting are becoming popular, we’re just not quite there yet, and the EHS band boosters do have a few limitations ... or... hmmmnnnnnnnnnn?

Our goal is to provide you with the information that you want. If you don’t see it and you think it’s important to post, email or document – let me know.

Mary Lou
