R U Ready 4 EHS Band?

Band members (the kids) are preparing for Band Camp by attending MINI CAMP#1 and #2; Parents are preparing too by attending the July Meeting! Parents we need your support - both physically and mentally to obtain success this school year.

U R THE Support behind this great set of high school kids. As the show concept for this year states "The Countdown Begins"....

The end of July 2008 ...and all the way to March 2009.... we will be counting down to two major events - competition season and the spring trip to Dublin Ireland. Every parent of every band/guard student can make a contribution to these two overarching events. The success of this year will rely on a full team, family, group, boosters etc. organized approach to get it all done. If you are a leader, step up - we'd love to have you lead; if you are a 'worker-bee' - even better, we need lots. August will begin the push to Ireland, and the scads of fundraising ventures to help offset the expenses. You can sell, work, create, build, or offer some great brainstorming ideas. I challenge all parent boosters to attend meetings, work sessions and fundraising opportunities. For the next 6-7 months we will be soliciting for YOUR time and energy to come have some fun, talk to the community, and participate in a golden year. Using the old cheerleader chants - "Let's get fired up!!" we have the opportunity to show our kids, our school, our community....and ourselves just how TEAM efforts can bring us SUCCESS. Please, if you are a living breathing MOM or DAD who loves this as much as the kids do, call me if you would like to be a part of the 2008/09 SUCCESS.
